

Greetings!

We are looking forward to another great golf event at the beautiful Oceanside Country Club, benefiting the Duvall Home.

This is our fourth year for this tournament which has grown to be a much anticipated and highly regarded fun golf event. The links style 18 holes of this Florida seaside course offers beautiful fairways and challenging greens. Providing the perfect atmosphere for a great morning of golf followed by a delicious luncheon buffet and awards program.

Proceeds from the tournament enable the Duvall Home to fulfill our mission of providing the highest quality of care and greatest level of independence for each of our residents. Your support is especially important as we once again this year face additional cuts in our funding as the state attempts to deal with the budget shortfall and we attempt to deal with a decrease in overall donations and an increase in expenses.

Your sponsorship, while supporting our individuals with developmental disabilities and the programs at the Duvall Home that help to empower them, also provides you with great exposure to a quality group of executive participants. We hope that you will agree to help us and also join us for a great day of golf.

Thank you for your consideration.

Sincerely,

Debra West
Chief Development Officer
The Duvall Home
